Scenery/Technical Direction (Mandy, River):

No notes tonight, thank you!

Lighting (Amber):

No notes tonight, thank you!

Costumes (Elin):

- 65. Ella Kernen's shoes are very slippery on the bottom. Can these be looked at?
- 66. A glitter glue bottle used for Miller and the medical bag used for Drusilla's blood effects are in one of the bins on the work shelf to be used as a reference when making pockets.
- 67. Currently, Michael Muma, Emma Reinhardt, and Caroline Thompson would like to be able to wear kneepads during the show. Makenna Trumm will also likely wish to wear them during the show as well.

Fittings:

Friday October 3rd

1:15 pm – Ella Kernen

5:30 pm – Jaydan Hostettler

Props (Ozzy):

- 68. For the large crucifixes, can one of them remain stringless? It will be used for Lucy's death and we found tonight that the ones with a cord on them get in the way of the fight choreography.

Sound (Connor):

No notes tonight, thank you!

Special Effects (Nate):

No notes tonight, thank you!

Dramaturgy (Dawn):

No notes tonight, thank you!

Miscellaneous:

69. Paper Tech will resume on Friday, October 3rd from 1-2 pm in Room 70.
