Notes to House Manager:

No notes tonight, thank you!

Problems or Repairs:

15. SCENERY/TD – The big gravestone is starting to come loose from its base, can this be looked at?
16. COSTUMES – The grippy sole on the heel of Ella Kernen's left shoe fell off tonight and was not able to be found backstage. Can this be replaced?
17. COSTUMES – A little bit of blood got on the left hip of Ella Kernen's undergarments/bodysuit. The crew didn't know how to clean it, so it was not washed or spot treated. If it gets blood on it in the future is there a certain way to go about getting it out?
18. COSTUMES – The new throat for Miller isn't as sticky and was starting to slide off underneath the costume before it was ripped out tonight, is there anything that can be done to resolve this?

Accidents or Injuries:
