Scenery/Technical Direction (Mandy, River):

70. Thank you for fixing the wheels on the slab!

71. Is there any way to mask the projector boom upstage right?

Lighting (Amber):

No notes tonight, thank you!

Costumes (Elin):

72. Is it ok if Michael Muma doesn't wear his morning coat in Act 1 Scene 19? After our run through tonight, we discovered that there's no way to guarantee there won't be any blood that would drip or smear onto it.

73. Makenna Trumm does not need kneepads to wear during the show.

Fittings:

Friday October 3rd

1:15 pm – Ella Kernen

5:30 pm – Jaydan Hostettler

Props (Ozzy):

74. What is the estimated arrival date of the final stakes and blood transfusion device?

75. Is it okay if the pillows on the slab or Jonathan's bed get bloody during the show?

76. Please ADD a towel/rag that can be used onstage for Mina to wipe blood off Lucy's face at the top of Act 1 Scene 13.

Sound (Connor):

77. Can the Stage Management table be moved to the back of the house next to the lighting table for cue to cue on Sunday?

Special Effects (Nate):

78. Makenna Trumm will learn to tie the rope to be used in Act 2 Scene 8 from 1-2 pm tomorrow in the scene shop.
79. Can the thicker blood that Marilla and Drusilla dip their hands in be stored in a larger container to use during the show? The quart size containers are a little small to dip their hands into without spilling or dripping blood on the table/backstage.
80. Can we add a cover for the button on the slab that can be removed just before it comes on for the final scene? It was accidentally hit in an earlier scene during tonight's run and triggered the sprayer. Even something small like a bottle cap would be helpful.

Dramaturgy (Dawn):

No notes tonight, thank you!

Miscellaneous:

81. There is a video of tonight's run through in the Stage Management folder titled "Run Through 10/3". Tonight's run time was 2:06:41, with Act 1 running 1:03:02 and Act 2 running 1:03:39.

Thanks everyone,
